MEMORANDUM FOR THE DIRECTOR OF TRAINING

SUBJECT : Non-Otr Training

VIA : Assistant (Adm.) to DD/I

1. With reference to your request dated 21 July 1954 for information regarding non-Otr training, this Office reports that with the one exception discussed below we have instituted no formal training which is not on-the-job and/or not handled through the Office of Training:

We have during the FY 1954 had several senior professional personnel attend the Orientation Course at Sandia Base, New Mexico, which is conducted under the auspices of the Armed Forces Special Weapons Project. Attendance has been based on an office quota and has been handled directly with AFSWP.

The following persons attended the course during FY 1954:

[REDACTED] GS-18, Member of the Board of National Estimates, attendance 19-22 January 1954

Mr. Ray S. Cline, GS-15, Chief, Eastern European Branch of Estimates Staff, attendance 5-8 January 1954

2. Attendance at this course is considered most valuable for O/NE professional personnel who are concerned with the production and coordination of national intelligence estimates dealing with military capabilities. Certain additional clearances are required, and acceptance is on a strict need-to-know basis.

3. The Department of Defense has cancelled these courses for the future.
